PLACEMENT ON THE MARKETPLACE ON PARTNER TERMS

LEGPROMB2B.market is designed to unite all industry participants on one platform.

This is the place where market professionals can select new suppliers with the product they need, without spending a huge amount of time searching the Internet.

A unique feature of the marketplace is that for a fairly small fee you are provided with a B2B platform for personal use, in fact a full-fledged website with free technical support, where your company can both actively sell its products and invite new customers to familiarize themselves with your assortment.

Orders to your personal account will be received both from the site and from the market. All you have to do is to transfer the goods in Russian. This will help you not only enter new markets, but also increase sales. At the moment, not only Russian manufacturers are actively joining us, but also manufacturers from other countries, including Belarus, Kazakhstan, Turkey, Uzbekistan, China, Vietnam and India.

We will be glad to see your company on our marketplace.
